Himanshu Panchal
CybageKhushboo Scholarship Recipient (2018-22)
Process Data Engineer, Shell Business Operations
B. Tech in Petroleum Engineering, Pandit Deendayal Energy University, Gandhinagar, Gujarat

I love CybageKhushboo’s motto and initiative to financially support students like me to achieve our academic goals and build a sustainable future. I am grateful to the CybageKhushboo team for imparting communication and soft skills training. The financial aid and the grooming have helped me get a good job. I also wish to make a humble contribution by providing others with better education in the future.

Farhanaaz Shaikh
CybageKhushboo Scholarship Recipient (2019-20)
Nursing Assistant, Sana Hospital, Pune

I always aspired for a career that would make me financially independent, and thanks to CybageKhushboo, I am living that dream. I was unaware of my course’s livelihood opportunities when I first enrolled for it. But gradually, through the tenure of the theory and practical classes, I understood its learning and career graph. CybageKhushboo has started a great initiative that helps many girls like me start a career.

Sumit Badase
CybageKhushboo Scholarship Recipient (2018-22)
Java Microservice Developer, Bajaj Finserv
Instrumentation and Control, College of Engineering, Pune

The son of a gardener from Amravati, due to financial concerns, my dreams were fading away. That is when CybageKhushboo became my savior. CybageKhushboo not only provided me with a scholarship, but it also helped me a great deal by holding technical and soft skill sessions, which aided my transition from a student to a professional.

Ritu Pol
CybageKhushboo Scholarship Recipient (2016-21)
Architect, Studio Syntactic
B.Architecture, Cummins (Dr Bhanuben Nanavati College of Architecture for Women)

I always wanted to pursue Architecture, but unfortunately, my father passed away soon after I completed Class 12. I knew my course was expensive and my family couldn’t afford it. As a result, I had to drop out. I am so happy that I got a chance to pursue my dreams. CybageKhushboo helped me in paying my tuition fees. I am grateful to the CybageKhushboo team for their faith in my abilities.

Cybage Khushboo started grooming sessions to inculcate soft skills, communication, and technical skills in students to make them job ready and help crack interviews

The beneficiaries of CybageKhushboo created an Alumni wing to contribute to the younger generation

The Alumni wing is growing by leaps and bounds and helping create an inclusive environment
“Give a man a fish; you feed him for a day. Teach him how to fish; you feed him for life.”

Khushboo Charitable Trust—a self-sustained NGO and a philanthropic arm of Cybage Software Pvt. Ltd—believes in the power of education. The Trust, also known as CybageKhushboo, is the brainchild of Arun Nathani, CEO and MD, Cybage, and his wife Ritu Nathani, Director, Cybage and Head, Cybage CSR. The Trust gives financial aid to economically backward but promising students to help fulfill their educational aspirations and secure a bright future. As a part of its flagship initiative, CybageKhushboo grants scholarships to students who want to pursue professional courses related to Engineering (B.E. and Diploma), Medicine (Pharmacy, Dentistry, Homeopathy, Physiotherapy, Nursing), Architecture, and Management courses.
